

OVAL

A deep straw yellow beer with a light head. It has distinctive citrusy scents and gentle wild notes, with some fruity and spices hints. The noticeable taste of citrus fruits is counter-balanced by the notes of wild yeasts. The bitterness is harmonious and balanced with no excessive peaks. A perfect embodiment of the Baladin style. Oval elegantly hides the alcohol content thanks to its extremely dry character.

Inhaltsstoffe

Water, **barley malt**, hops, mix of citrus zest in variable proportions, yeast.
