

BALADIN 4.8 "SAVE THE GLACIER"

With its hay-yellow, bright color, this beer has a fine, white, rather persistent head. Its perfectly balanced scents, which combine herbaceous, slightly flowery notes, and citrusy aromas (with a very subtle hint of bread crust), invite you to take a nice, long sip.

The taste is just as light - thanks also to the low alcohol content. The gentle tones of hops and the even more subtle touches of cereals are complemented by citrusy and flowery notes. A drinkable, clean and fresh beer with a light body, perfect for long and satisfying sips.
