

AGRUMATA BALADIN

Italian taste at first sip! This is the idea that inspired Teo when he created this drink, made with a selection of mixed Italian citrus fruits. The hazy color hides a delicate and flavorful combination of orange, tangerine, lemon, and bergamot.

Pairings

With its freshness, Agrumata Baladin is the ultimate thirst-quenching drink! Great for all ages, at all times... and a good option for mixed drinks, too.
