

CEDRATA

A journey searching for the taste of times gone by. A taste that our memory has registered but has been hiding for a very long time. This is Cedrata Baladin.

Just a handful of great quality ingredients: water, natural brown sugar, lemon juice, carbon dioxide and the infusion of Calabria citrons, which give it the aroma and authentic flavor of Mediterranean lemons. Produced with simple and selected ingredients, it contains no colorings or preservatives: perfect for all ages!

Pairings

Thanks to its acidic taste rounded by the use of brown sugar, Cedrata Baladin is a fresh drink for all meals (including a midnight snack!). It is also a great ingredient for alcoholic and non-alcoholic cocktails. It goes particularly well with passion fruit and lime, or gin.
