

CHINOTTO

The soft drink loved by Italians finds a new expression of flavor in the Baladin version.

Its intense citrus aroma, with sweet almost candied notes, immediately recalls the Ligurian coast where the Chinotto of Savona is grown, used to flavor this extra soft drink.

The magic appears from the very first sip: Teo has perfectly balanced the bitter notes of chinotto and the more acidic hints of lemon with a sweet base. Delicious, intriguing and refreshing.

Pairings

To be enjoyed to satisfy the palate while refreshing at the same time. Perfect for any occasion!
